- 1.01 It is the general purpose of this agreement to set forth the conditions of employment, the rates of pay, and hours of work to which both parties have agreed and to provide a procedure for prompt and fair settlement of grievances.

Article 2 - Recognition And Scope

- 2.01 The Employer hereby recognizes the Union as the sole collective bargaining agent for all Stage Employees of the City of Brantford in the City of Brantford save and except the Technical Director and those persons above that rank of Technical Director.

 - (h) Work pertaining to the temporary installation, maintenance and operation of stage related audio/visual systems.

continue to augment the employees normally performing building maintenance are painting, seat repair, and floor maintenance. This agreement is subject to need, scheduling and availability and is not a guarantee of hours worked.

2.03 The Employer agrees that all commercial users and In-House productions that require additional staff beyond their own regular touring complement shall be obligated to use Union Members and the Union will provide trained and competent personnel to meet such requirements (e.g. competent sound persons). Notwithstanding the above sentence, the City of Brantford at the Sanderson Centre location shall employ the additional staff required. Employees listed on the Seniority List (current and as amended in the future), shall have first preference to perform work at The Sanderson Centre and the City of Brantford based on qualification, availability and length of service.

2.04 The parties agree that “volunteers” are not “employees” for the purpose of this collective agreement.

2.05 **Volunteers**

The Employer shall have the right to continue its present practice with respect to the use of volunteer engaged in theatrical presentation and production and event preparation, set-up and tear down for Community, Amateur, Non-Profit or Charitable use, and nothing in this agreement will limit the use of volunteers in these activities unless explicitly stated otherwise. For purposes of clarification, the categories of use are defined as follows:

2.06 **Community, Amateur, Non-Profit, Charitable**

For use of the Sanderson Centre for the Performing Arts by amateur and/or registered non-profit and/or educational organizations raising funds for charitable purposes or engaged in activities for recreational, educational or other purposes without the intent of profit. For the purposes clarification Stage 88 will be considered a Community based organization.

2.07 **Commercial**

A Commercial show is a performing arts attraction by an individual or business enterprise for profit, notwithstanding charitable status, or the selling of tickets.

2.08 **In House**

Events that are purchased and promoted by the Sanderson Centre for the Performing Arts.

2.09 Co-Presents

Events co-produced with a partner will be categorized as if the event were presented by that partner alone. For greater clarity, events co-produced with a charity will be considered to be a charitable event while events co-produced with a commercial presenter would be considered commercial.

2.10 Post-Secondary Educational Lecture

A non-ticketed lecture presented by a recognized post-secondary educational institution for educational purposes without the intent of profit, with basic technical requirements limited to a non-cued general lighting wash, a lectern with a non-level adjusted corded microphone, and fixed video production with audio.

2.11 Most venues other than the Sanderson Centre operate with incidental use of sound, lighting, and video equipment. These uses will be exempt from bargaining unit work under the following conditions:

- (a) Use of a permanently installed public address, sound, lighting control or video system designed to be operated by laypersons.
- (b) Portable, self-contained equipment where the end-user is capable of setting up and operating the equipment without assistance.
- (c) Equipment rented or hired by the end-user for an event where two technicians are supplied by the rental company for set-up and operation. (D.J's, Corporate Presentations)
- (d) Production equipment rented or hired that includes rigging, laser and special effects equipment will not be considered exempt from bargaining unit work.

2.12 Regular Touring Complement

"Regular touring complement" is defined as those production personnel travelling with a touring production or, in the case of non-touring events, the personnel supplied by the production rental company excluding local crew. For the purposes of determining local staffing requirements, regular touring complement will be limited to department heads, board operators and camera operators where applicable.

Grievances shall be dealt with as follows:

In discussing his/her complaint the employee may be accompanied by his/her Steward if the employee so desires. In the case of a complaint requesting a monetary settlement, this limitation shall be extended to one (1) calendar year. The employee's immediate Supervisor shall have three (3) working days to verbally reply to the complaint. Failing satisfaction the complaint may be dealt with in the following manner and sequence:

- 8.02 Seniority is the priority of job assignments and scheduling. With the exception of Productions Leads the right of first refusal shall apply. Regular, casual and temporary employees shall be scheduled based on qualifications, availability and length of service to a maximum of 52 hours. This shall by no means be interpreted to limit the amount of hours an employee may work. In addition, this will in no way interfere with the continuity of a performance, in keeping with Article 10.05. For the purposes of scheduling, where two or more event-related calls occur on a single day for separate events, the Employer may limit an employee's offer of work based on seniority to a single event.

Notwithstanding the 52 hour limit, if a shift cannot be filled by a qualified less senior regular or casual employee, the shift will be offered to any employee who has reached the 52 hour maximum prior to filling the position from referred employees.

Seniority will be defined as employees by date of qualification on-call list.

- 8.05 The Employer shall deduct from each employee including referred and permit employees an amount stipulated by the Local in writing indicating the percent and/or dollar amount deducted, from each employee's gross wages as Union Dues up to a maximum cap per calendar year. The Employer shall forward this deduction directly to the Union within ten (10) days after the end of each month with a complete remittance breakdown.

Production Leads will only be assigned work at other venues in the event another skilled worker is not available. In the event that a Production Lead is assigned work at a venue other than the Sanderson Centre, their rate will follow them regardless of the work they are performing.

Guaranteed Hours

Production Leads will be guaranteed annual hours of work equivalent to thirty-five (35) hours per week inclusive of vacation time entitlement consistent with Article 16.01.

Production Leads are expected to be available for job assignments for their assigned roles except in cases of pre-arranged vacation time, leave of absence or illness consistent with articles 16, 17, 18.

As outlined in the Letter of Understanding, both parties agree to work collectively to review the hours of work for the Production Assistant positions after one year of data being available and have discussions regarding the potential feasibility of implementing guaranteed hours of work for this position.

The employee's regular wage rate shall apply as a minimum regardless of the type of work performed or the facility in which the work is being performed except in the event they are replacing an absent Lead of Lighting or Lead of Audio, in which case they would receive the Production Lead rate for all hours worked in that capacity.
